Members Handbook:

When your membership is confirmed you will be supplied with a Members Handbook that sets out all the policies, rules and regulations we need to adhere to at Te Atatu Pony Club. It is your responsibility to read and comply with the information in the handbook.

Membership Conditions:

1. Any person who wishes to become a member of the club must apply in writing on the official application and all the particulars therein must be correctly completed.
2. All applications must be signed by the senior member applying or a parent/guardian of the junior member applying.
3. Junior members (<18 years) are not entitled to exercise the power to vote, therefore is required that the parent/guardian of a junior member become a financial member which entitles them to voting rights.
4. The committee of Te Atatu Pony Club reserves the right to revoke any application for membership as they see fit.

Working Bee Requirement

Working Bees are organized throughout the season. It is important that everyone is available for these as there are always a lot of tasks that need to be completed. Working bees will be planned with tasks assigned to each member (including children). If you cannot attend a working bee there will be a \$50 fee payable.

Events

Helping on an event day is an expectation of each and every club member and does not count as a working bee day. Jobs will be allocated and training provided where necessary. We also need lots of volunteers to help on the day. Training (if required) will be given on the day. If you have any friends or family that can help it would be greatly appreciated.

WORKING BEE AGREEMENT	
I/We agree to attend working bees or pay the working bee fee. I/We agree to be available to help at events
