WELCOME TO TE ATATŪ PONY CLUB

Kia ora tatou.

Welcome to Te Atatū Pony Club (TAPC).

We are a small, supportive and friendly club with our members and their horses and ponies at the heart of what we do.

It's a privilege for us to be able to offer city-based children and teenagers the opportunity to own, graze and ride their horse or pony close to home. We are also delighted to welcome adult members, and our enthusiastic After-School Pony Care Programme participants too.

Our stunning location on the Te Atatū Peninsula means we can all enjoy show jumping, flatwork, cross country and beach and trail riding right in the heart of Auckland, all with stunning views of the Waitematā Harbour and skyline behind.

We're delighted to have our fantastic coaches available to the riders, and look forward to running a range of Pony Club events and outings for our members.

We would like to extend our thanks to the parents, grandparents, caregivers and volunteers that support our riders and the club. Their hard work is crucial to the ongoing operation of the club and is much appreciated.

We are also grateful to the mana whenua, the community of Te Atatū and the Auckland Council, for their support of the Club since it was established in 1972.

Please use this manual to better understand how the club works and how to keep ourselves and our horses safe and healthy. If you have any questions or need any support at all, please do not hesitate to contact us. We're looking forward to a wonderful season ahead.

ABOUT PONY CLUB

WHAT IS PONY CLUB?

Pony Club is a youth-based equestrian organisation for people up to the age of 25.

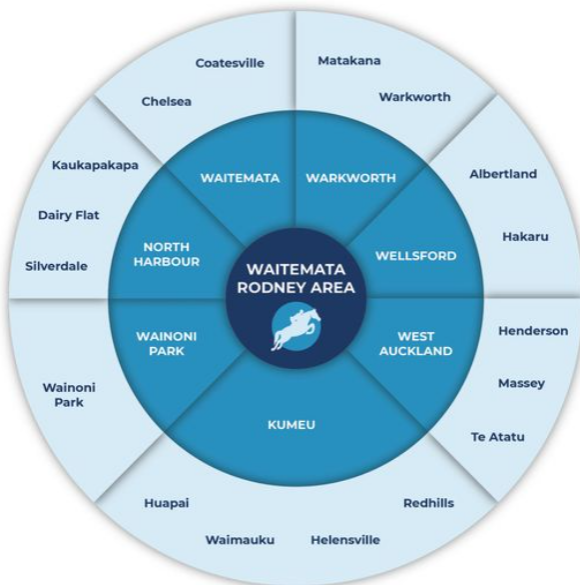

There are over 9,000 Pony Club members throughout NZ and Pony Club exists in 30 countries around the world.

The mission of the NZ Pony Clubs Association (NZPCA) is: “To promote and improve the quality of riding and horse management coaching for young riders and their Coaches throughout New Zealand.” Through Pony Club, riders take part in mounted and unmounted coaching sessions (rallies) and a range of camps, competitions and events. Pony Club disciplines include dressage, showjumping, eventing, cross country, show cross/derby and mounted games.

The NZPCA website www.nzpca.org contains a wealth of information, including the Resource Manual which has the Mission Statement, Vision Statement, Fair Play Sport Charter and all the current Rules. NZPCA Manuals, rule books, dressage test books and other publications can be purchased through the NZPCA online shop or at local tack shops.

Te Atatū Pony Club is a branch of the West Auckland District Pony Club, which is part of the Waitematā Rodney Area. Other Clubs within our District are Massey Pony Club and Henderson Pony Club (our ‘sister’ clubs) and our area includes North Harbour, Wainoni, Kumeu, Waitematā, Warkworth, Wellsford.

The following diagram represents the Branches and Clubs of our Waitematā Rodney Area.’

THE PONY CLUB SYLLABUS

The Pony Club syllabus is structured into a series of tests that allow riders to achieve a succession of 'Certificates'.

The syllabus and certificate structure leads Pony Clubs in two key ways:

1. It allows us to grade our riding members into separate groups of similar ability; these are referred to as rally groups.
2. It helps us to structure a season teaching syllabus to ensure riders learn the required aspects to enable them to progress and successfully sit certificates.

The Pony Club Manuals (books) contain the source of what is required at different certificate levels.

- Pony Club Manual No 1, which contains D, D+ & C certificate level information
- Pony Club Manual No. 2, which contains C+ and B certificate level information
- Pony Club Manual No. 3 which contains H and A certificate level information

We recommend you get your own manual in order to complete your certificate work and increase your equestrian knowledge. These are available from Saddlery Warehouse or can be ordered on the NZPCA website.

You can find out more about Certificates and the rules applying to them on the NZPCA website - www.NZPCA.org.

PONY CLUB RALLIES - GENERAL

Rallies are the backbone of Pony Club and involve small group instruction by qualified coaches on riding technique and horse management according to the NZPCA curriculum.

Riders are given the opportunity to sit a practical riding test and theory exam (verbal, not written) to progress to the next certificate level.

PONY CLUB CERTIFICATES

Pony Clubs follow the NZPCA syllabus helping riders work towards their Pony Club Certificates. The certificates are D, D+, C, C+, B, A and H and each rider has a record card (hard copy and/or NZPCA app) where their progress towards achieving a certificate is noted.

The coaches plan their rallies to cover items on record cards, to prepare interested riders for competitions and to have fun.

When a rider's record card is completely signed off, the rider can sit their next certificate.

The Coach Coordinator organises rider examinations for D, D+ and C certificates. The District Commissioner and District Chief Coach organise examinations for C+ and above certificates.

There is a minimum number of rallies you and your horse must have participated in to be eligible to sit certificates.

You can find out more about the NZPCA syllabus on the NZPCA website, or in the NZPCA Pony Club Manuals (recommended reading).

JOINING PONY CLUB

There are a number of types of Pony Club membership.

- Riding Member. A Riding Member participates in rallies, can achieve certificates and is eligible for all pony club events and activities.
 - Riding Member 18 – 25 years of age.
 - Riding Member under 18 years of age - accompanied by an adult member.
- Adult Member.
 - Adult Member (volunteer) - adult who does not have an association with a rider under 18 years.
 - Adult Member who is the parent or guardian of a riding member under 18 years old.
- Technical Member (e.g. a coach, examiner or NZPCA official).
- Casual Member - someone who is not an NZPCA member and signs a casual membership form to attend a one-off event e.g. riding a member's horse on the grounds, attending an event.

Subscription fees are made up of levies paid to our national NZPCA organisation, and the local Area and District Clubs. The remainder goes to the branch and contributes towards coaching costs.

Being a financial member of NZPCA enables those aged 18 and over to vote at your branch AGM and be eligible for election to the Committee. It enables riding members (up until the day they turn 25 years) to compete and be eligible for all closed competitions, awards, and trophies for that season

ABOUT TE ATATŪ PONY CLUB

OUR GROUNDS

Te Atatū Pony Club has 17 hectares (40 acres) on the Te Orangihina / Harbour View Reserve. It is leased to TAPC by the Auckland Council and administered by the Henderson Massey Ward Board.

Our grounds management is overseen by the TAPC Committee with a particular contribution from the Herd Managers, Grounds Manager and the Executive Committee. Grounds' maintenance is largely done by volunteer members with support from contractors as funding allows.

HOW WE ARE FUNDED

Te Atatū Pony Club is primarily funded through monthly grazing fees. Membership fees contribute the majority of coaching costs and *ad hoc* events, donations and fundraising/grants allow for any additional projects.

HOW WE CONTRIBUTE TO PONY CLUB

Like all pony clubs, Te Atatū Pony Club is run by volunteers who work together to provide a positive experience for our riders and their horses.

Parents or caregivers of riders U18 become members of the Te Atatū Pony Club Committee and actively support the smooth running of the Club through their contribution.

Most Committee members take on an officer or administrative role.

Members who do not have an officer or administrative role contribute to general Club house / grounds upkeep - minimum 30 minutes per week or equivalent. This contribution is part of TAPC terms and conditions for grazing.

Any family member that has a trade or profession that can help the club function and prosper is encouraged to identify this to the committee so that we can draw on the wealth of knowledge of our members.

TE ATATŪ PONY CLUB COMMITTEE - STRUCTURE AND ROLES

Te Atatū Pony Club Committee members are collectively responsible for the running of the Club.

- We are an Incorporated Society and as a committee we are responsible for meeting the requirements of the *Incorporated Societies Act 2022* and ensuring our organisation runs according to its constitution.
- Adult members (adult grazers, adult volunteers, second parent) may stand for election to the Committee as volunteers.
- The committee meets on site in the clubroom, or via video, each month.
- A quorum of five members is required to attend to make decisions.
- Some committee members hold positions which are required by our constitution and elected each year at our Annual General Meeting (AGM) including: President, Secretary, Treasurer, Coach Coordinator and Health and Safety Officer.
- Other committee members hold positions which have been created by our branch to meet our needs e.g running After School Pony Care, Grounds Manager.
- General committee members (without formal positions) attend the meetings to contribute to discussions on the running of our branch, keep up to date with decisions and activities planned on the grounds, and to offer their time to complete tasks as they are identified.
- Three committee members are appointed to be our Executive Committee which:
 - makes time sensitive decisions between monthly committee meetings;
 - delegates tasks to be completed amongst members;
 - is responsible for managing complaints and concerns; and
 - may be delegated other specific roles by the Committee.

TE ATATŪ PONY CLUB RALLIES

At Te Atatū Pony Club we have weekly rallies during the riding season (October to April) with a break during holidays. Usually, there is a shared meal afterwards.

- Rallies are held on a Thursday night from 6.00–7.30pm. Riders must be ready at 5.50 pm for notices.
- Riders are taught in small groups according to their age, riding ability, and certificate level. Decisions about which group a rider will be in are made by the coaches.
- Riders wear the Te Atatū Pony Club uniform.
- Rally lessons might cover flatwork, dressage, show jumping, mounted games, cross country and horse management (HM).
- Riders are expected to bring their own copy of the Pony Club Manual (corresponding to the certificates they are working towards) with them to each rally in case it is needed.

- We aim to hold a minimum of 10 rallies before summer break, and 10 rallies afterwards.
- Rallies can be mounted (ridden), unmounted (theory, also known as “Horse Management”) or a combination of both.
- For mounted rallies, riders please be mounted for notices by 5.50pm.
- Inspection follows the notices - Riders’ attendance, uniform, gear and horse are all inspected for “care, cleanliness and safety” and points are awarded.
- If a mounted rally is cancelled due to bad weather, a message will be sent on FB Messenger as early as possible. A mounted rally will be replaced with an unmounted “Horse Management” rally in this situation. These may be in person or via an online video meeting.
- From time to time, a rally may be held offsite to provide additional opportunities
- A parent or carer should attend the rally with each rider and be ready to help coaches, do tasks around the grounds or in the kitchen and club rooms.
- At the end of the season, awards are presented at our prize giving.
- Two First Aiders with a Level 2 certificate is required to be on site at each Rally

TE ATATŪ PONY CLUB UNIFORM

- The Te Atatū Pony Club uniform is:
 - The branch’s branded polo shirt (short or long sleeved).
 - District badge with certificate clip if one has been attained.
 - Beige or black jodhpurs.
 - Jodhpur boots, with or without chaps of the same colour, or long black boots.

PONY CLUB EVENTS AND OUTINGS

Events

Te Atatū Pony Club aims to host several events each season to support fundraising and opportunities for our riders. Most recently we have held:

- Open Days where anyone can pay a grounds fee and come to ride on our grounds. Members of our “sister” branches of West Auckland District (Massey and Henderson Valley Pony Clubs) can come on these days without paying a ground fee as per our West Auckland District Club’s Reciprocity Agreement.
- The Te Atatū Pony Club Skyline Show Jumping Day – a competitive event open to any riders who wish to compete in the classes we choose to offer.

Competitions and Outings

Throughout the year, Te Atatū Pony Club riders also compete at a variety of events hosted by other pony clubs and equestrian facilities in our region. Events include ribbon days, show jumping, show hunter, dressage, show cross and mounted games. See the notice board in the Clubroom for more information and talk to other members about how these work.

The Te Atatū Pony Club Committee may also arrange informal outings around Auckland to beaches and arenas and to the grounds of our fellow West Auckland District Pony Clubs.

From time to time we run Pony Club camps.

At the end of each season, Te Atatū Pony Club may organise a “closed event” (involving only our members) followed by our prize giving. Other closed events may also be held during the season.

Waitematā Rodney Area Inter Club Teams Competitions.

These competitions between our West Auckland District and the other six District Clubs in our Waitematā Rodney Area are arranged every season. We highly recommend riders express interest in these team events as they gain confidence and experience as they are a lot of fun and held in very supportive circumstances.

When representing your District Club, you are loaned a uniform (polo top and hat silk) and a saddle blanket.

There is a minimum number of rallies you and your horse must have participated in to be eligible for team events.

TE ATATŪ PONY CLUB COMMUNICATION

Most communication to members is done by email, FB Messenger and a Facebook Closed Members Group. Please ensure that you check these regularly for important notifications and updates. Please keep all comments and observations positive and polite, reflecting our social media policy printed later in this document. For issues related to the grounds or herds it's recommended you contact your Herd Manager. Any other concerns should go direct to a member of the Executive Committee in the first instance and have them issue reminders e.g. on keeping gates shut, wash bay tidy etc.

Facebook & Instagram

- @teatatuponyclub : Instagram and Facebook (news, events, public promotion)
Facebook Messenger Groups include:
- TAPC facebook messenger group: a chat group where day to day info about what's happening on the grounds is shared. All members, young and older, are invited to this chat.
- TAPC Adults facebook messenger group: a chat group for Adult Members (18 and over), plus some additional adults, to cover off decisions or actions that have to be undertaken on the grounds etc.
- Herds - groups to keep each Herd connected.

Instagram Story

To improve communication with youth riders, from time to time the Te Atatū Pony Club Instagram account may use the “send to close friend” story function with reminders or other information. These are copied to TAPC groups also.

Te Atatū Pony Club Members Group

There is a private facebook group where events are created, and event flyers or other reference files or documents are uploaded for future use. If you do not receive an invitation to join the closed members group, please search for “Te Atatū Pony Club Members Group” on facebook and ask to join it.

LOGGING FALLS, INJURIES, INCIDENTS OR HAZARDS

Part of our fulfillment of the NZPCA Health and Safety Programme is logging falls, injuries, incidents or hazards and following concussion protocols.

- Hazards - raise with H&S Officer or Executive Committee and enter in Hazard register in Club Rooms.
 - eg, broken fences/gates/jumps, rabbit holes
- Minor falls/incidents (not requiring medical treatment) are to be recorded in folder in Club Rooms
- Falls/incident requiring medical treatment to be recorded via the link below and forward copy for filing to teatatupony@gmail.com, or fill out the form in the club rooms and advise H & S officer.

https://docs.google.com/forms/d/e/1FAIpQLSeNrkNb84zEgLO3zFfcvbNvwVm2s2iL9BEgDGGVQU_jYrXlg/viewform

- Follow concussion protocols where suspected concussion occurs (as per the Green Cards in Club rooms or NZPCA website)

HERDS AND GRAZING

Te Atatū Pony Club is able to provide grazing to some members. Horses grazing at Te Atatū Pony Club are separated into a number of herds. Each herd is led by a Herd Manager who coordinates the needs of the herd and contributes to a wider club grazing plan.

Herd members contribute to looking after the herd by taking turns to check on the horses, feed hay, set up tapes, clean troughs, move horses and poo kick/poo pick/harrow as required.

Hay is bought collectively by Te Atatū Pony Club and a roster is created for each herd so that families take turns feeding it out when required.

Shared sheds for youth members' gear, and a saddle room are also available.

Grazing terms and conditions apply, and spaces for grazing is limited. All members must renew applications for grazing as required and there is no entitlement that any application will be accepted.

- if riding on the road follow NZPCA road rules, Road Code and Local Authority By-Laws

HORSES ON TAPC GROUND

- Horses at TAPC must have a temperament and level of schooling that is suitable for a Pony Club environment. This applies to member and visitor horses alike.
- A horse, which, in the opinion of the Coach and Executive Committee, is not suitable for Pony Club riding or grazing may be barred from TAPC grounds.
- Any horse with a suspected or confirmed contagious disease is not permitted on the grounds and must be cleared with a vet certificate.
- There are specific rules for stallion management in NZPCA General Regulations.
- As per NZPCA, horses aged three years may take part in Pony Club activities, but those under 4 years may not participate in jumping activities.

GRAZERS

Grazing Terms and Conditions

- Grazers (and adult grazers) on Branch grounds shall abide by the conditions of their Grazing Agreement. These can be found on the Te Atatū Pony Club website: <https://teatatuponyclub.co.nz/membership/> and in the appendix to this document.

Shared Hay

- Shared Hay
 - Hay stored in the hayshed container is shared hay for feeding grazing horses under the supervision of the Grazing manager.
 - A levy for hay use will be agreed by the Committee and paid by those using shared hay.
 - Members not paying the hay levy may not access shared hay.
 - No feeding hay in the wash bay (it creates a mess).
 - Personal hay may be purchased and stored separately.

Sheds and Tack Room

- Youth grazing members will be allocated a shed. In most cases this is shared.
- Members may not change sheds without consent from the Executive Committee.
- Areas around the sheds must be kept tidy.
- Where sheds are shared, members should be considerate, keeping their gear tidy, allocating and using space fairly and keeping the shed secure.
- Members will be given a key to the secure Tack Room. This tack room must be kept locked at all times.

SAFE PRACTISE RULES - VEHICLES & EQUIPMENT

- Close main gate immediately on entering with any car/float/truck.
- Drive slowly in car park and on the grounds - 5km per hour.
- Cars need to take extra care when leaving TAPC due to use of the footpath by pedestrians and cyclists.
- Do not stand behind a horse as it backs out of a float.
- Do not load or tie a horse up to a float that is not attached to a car.
- Ensure the road gate is closed before loading/unloading horse into a float.

FEES AND PAYMENTS

- Grazing fees must be paid monthly and on time, as advised by TAPC treasurer. Other fees including hay or worming levies must be paid in a timely manner.
- Membership fees must be paid before grazing commences.
- Members must renew membership each year as advised by the TAPC treasurer.
- Members who resign part way through the season are not entitled to a refund of their subscription as we have fixed costs associated with our coaches that must be met.
- Members joining after 1 January of each year shall pay only half of the Branch subscription plus any additional levies in full

JOBS, WORKING BEES AND EVENT SET UPS

Te Atatu Pony Club is a volunteer organisation and we rely on members and their families to support the Club, its purpose, grounds and facilities. We do this via a combination of both regular jobs and working bees (4 - 6 per year).

To meet Club contribution requirements members must:

- Attend (adult members and U18 members) all working bees for the season (or complete equivalent jobs in lieu, by arrangement with the Executive Committee and Secretary).
- Help at any events, for the duration of the event.
- Pay a levy of \$200 for any working bees and event setups that they do not attend or have not made up through equivalent jobs in advance and by arrangement.
- Be mindful that while a working bee or event set up is in progress, no riding or horse related activities are permitted on the grounds. Everyone present is expected to help.

- In addition to working bees, members must be responsible for a regular task throughout the year to help maintain and improve the grounds and facilities.
 - Committee officer or admin role
 - Club house upkeep/grounds maintenance (eg weed whacking, mowing, cleaning approx 30 mins per week)
- Failure to contribute as outlined will be a breach of a members' grazing agreement and may lead to termination of that agreement.

PARKING

- Floats may be stored by members on the TAPC grounds free of charge in either Float paddock, or the car parking area. This is at the owner's own risk. Appropriate security measures should be taken.
- Always ensure your vehicle is locked if parked on the TAPC grounds, and keep valuables hidden out of sight.
- Park considerately, to allow other members to access the hose, and drive in a loop around the parking area.

VISITORS TO GROUNDS - HORSE/RIDER/MEMBER OF PUBLIC

- All guests riding on TAPC grounds must either:
 - Be accompanied by a TAPC member OR
 - Notify the Executive Committee and get permission for grounds usage.
 - Pay a grounds fee of \$20 to the Te Atatū Pony Club bank account, giving name, date of visit and the words "GroundFee" as references: 12 3038 0243060 000
- Any guests riding on Branch grounds who are not NZPCA members must complete a casual member form (folder in Clubrooms).
- Members of Henderson Valley and Massey Pony Clubs have opportunities during the season to ride on our grounds (as we do on theirs) without paying a grounds fee as per the West Auckland District Reciprocity Agreement.
- All riders on TAPC grounds (including guests) must wear an approved and tagged riding helmet and suitable footwear when riding.
- Visiting contractors / tradies - Whoever is organising their visit will identify someone to come in and lock up when they are due to leave. If no-one is identified, then the last person on the site when the contractor or tradie is present MUST ask them to move their vehicle outside of the gate so that they (the last member leaving) can padlock the gate.
- All guests/visitors must uphold the TAPC Code of Conduct and values.

CASUAL GRAZING

- A request must be made to the Grazing Manager or representative for overnight or casual grazing, well in advance of the day it is required where possible.
- The horse must be allocated to the paddock that is advised by the Grazing Manager or representative.
- The owner of the horse is responsible for ensuring fences are safe, sufficient hay / grass is available and that the water supplied is clean and plentiful.
- The fee for overnight or casual grazing is \$20 per 24 hours period. The grazer must pay the applicable fee directly into the TAPC bank account: 12-3038-0243060-00 and contact the Treasurer on treasurer.tapc@gmail.com once payment has been made.
- All horses graze at the owner's risk.

PRIVATE COACHING AND CLINICS

- Riders are welcome to organize their own individual tuition with private coaches on the grounds.
- If a coach wishes to give multiple lessons on the grounds (e.g. a clinic) that will require substantial or exclusive use of some facilities or paddocks then a request must be made to the Committee (or Executive Committee). Once approved then the clinic gets priority use of the grounds and facilities for the duration of the event..

SOCIAL MEDIA AND MESSAGING

Social media includes all of the TAPC internal and external channels, including TAPC group or herd messenger, used officially by our branch, and informally by our members.

- Be respectful and polite - aligned with TAPC values, codes of conducts and commitments.
- Complaints must be raised directly with the Exec Committee, rather than via group/posts
- Share any concerns or differences of opinion in a sensitive manner.
- Be family-friendly and age appropriate. Most channels include U18 years users.
- Be relevant. Avoid online discussions related to current affairs unless they are specific to our community.
- Be inclusive. Posts that are discriminatory or defamatory relating to ethnicity, religion, gender, disability, sexual orientation, or that encourage illegal activity are illegal. The TAPC Committee will take appropriate action to remove such posts and alert authorities if warranted.
- Be mindful of others' privacy. You should not post images and videos of other members, their friends and family on your personal social media accounts without their explicit, prior permission. When dealing with youth members, their parent's or caregiver's permission must be sought.
- Do not advertise personal businesses unless they are relevant to our equestrian pursuits.
- If you believe that someone is not following these rules, send an email in confidence to teatutupony@gmail.com where it will be forwarded to our Executive Committee to address.

USE OF VIDEO/IMAGES

Use of video & images taken on TAPC grounds for promotion of club

- From time-to-time TAPC will use video and images of our members, their horses, and their families taken on our club grounds to promote our club on digital channels.
- TAPC will ensure that images will always reflect the club and our people in a positive light.
- Every member, or any other person, shown in any photo or video can request that the particular image be removed. TAPC will comply immediately and without question.
- In most cases, images will be part of a group and individuals will not be named or visibly tagged. An exception may be when sharing a post from external media where the members full name may have been used.

COMPLAINTS AND CONCERNS PROCESS

Should a situation or conflict arise that you have significant concerns about we request you address it proactively in the following way:

- Email teatutupony@gmail.com in confidence. This email address is managed by the Branch secretary.
- The Branch secretary will forward your concern to the Te Atatū Pony Club Executive Committee for review and discussion with you.
- It should be noted that if a concern or complaint involves a person under the age of 18, all correspondence will be undertaken directly with their Parent/Guardian.
- The Executive Committee will endeavour to find a resolution to your concern with you. This is the best solution if it can be achieved.
- If this cannot be achieved, your complaint will be forwarded to the Club District Commissioner and the following NZPCA procedure (see NZPCA website) will be followed:
[Beginners Guide to Dealing with Complaints / Breaches of the Code of Conduct](#)
- At all times should anyone in this process have a conflict of interest, e.g. the complaint concerns a member of the Executive Committee, they will be stood aside from the process.
